Perfect picking entry plus very close ‘tiebreaker’ wins in football contest

Three participants were perfect pickers in last week’s football contest. The eventual winner won because his predicted score in the Nashville-Genoa Central game was within one point of the actual outcome.

T’Otis Trimble of Nashville won the newspaper’s weekly football prediction contest for the third time. The contest was jumbled because the newspaper erroneously listed one game -- Texas Tech and Kansas State -- and because so many area high school teams played on Thursday.

THE CECIL “BIRDDOG” HARRIS MEMORIAL

J. C. Bell of Nashville was well acquainted with Joseph Martin, who has been granted a pardon by the president from the federal prison at Columbus, Ohio, where he was serving a life sentence for murder, which pardon was secured by the untiring efforts of his daughter, who went to Washington in person to plead her father’s case before the president.

Joseph Martin lived on the Cossatot near Lockesburg when Mr. Bell knew him but had moved to the Indian Territory before getting into the trouble that sent him to prison for life.

Reed Martin, a brother of Joseph, was also implicated in the killing of Ernest Adams, and was convicted and hanged by federal authorities at Paris, Texas. The Martins killed their victim, and after cutting off his head, they threw his remains into the Red River where they were subsequently found.

Final arrangements have been completed for the holding of the general election

in Howard County next Tuesday, when the voters of the county will go the polls on the final election of the year. There is a sprinkling of Republican opposition to the Democratic nominees for state office, but no opposition is carried on the ballot for county nominees. Among the acts to be voted on is Act 1 which provides for reorganization of the school system so that every child in the state will have high school opportunities.

Elaborate plans have been completed for the homecoming ceremonies at Scrapper Field here Friday night when pretty Miss Lelia Maude O’Dell will be crowned as queen of the 1946 football team and will reign over the game between De Queen Leopards and the Scrappers.

Gloria Gary, a Nashville High School grad now teaching at Central School in De Queen, will be one of 15 young teachers throughout the nation to attend an invitational conference in New York on December 4. The theme is “What it Takes

to Teach.” Gloria was recommended by the Arkansas Education Association.

Gloria is the daughter of Mr. and Mrs. York Gary and in her day in Nashville was an attractive Scrapper Belle.

Point of view

A citizen’s thanks

Our system doesn’t work without citizen participation

YES, I AM STILL HERE peeking out my window on Main Street, and I want to pat all candidates on the back for running for public office. Pat. Pat.

The filing date for the March 3 Preferential Primary hasn’t even ended yet (it ends today, Wednesday, at noon). This column was written before the the deadline because of the Veterans Day holiday and our printing schedule, so I have no idea who’s actually in.

Our society depends upon citizen participation, and folks have to get up off the couch and campaign in order to win and hold office. You can’t do it just by buying newspaper or radio ads, or posting on social media or mailing out some fancy flyers.

Candidates need to get out and shake hands. This is great because it fosters the exchange of information.

So whether you win or lose your race, our town, county, state and nation is better off because you made the effort.

Things have gotten pretty contentious these days. I liked it better when candidates and parties at least SEEMED to get along.

Many of the things that I was taught in public schools aren’t taught these days. I’m not saying this is good or bad. But one thing I learned in some long-forgotten class was stuff about how elections work. We learned that if you want to make a difference generally, or to change one thing, specifically, you’ve got to get the voters behind you.

This also meant that liberal candidates had to make themselves a bit more conservative if they hoped to get enough votes to win. The same is true for those conservatives unless they succeed in getting the election overturned. (That comment was a joke)

There is almost always some common ground even in these days of extreme viewpoints. Almost always.

We are all Arkansans, all Americans, and I do not know of a single person who wants to do harm to either the state or the nation.

So, I repeat my thanks to the candidates and those who labor for them. AND those who work to make the elections happen.

FIRE ANT MOUNDS. The change of weather may have resulted in many new fire ant mounds in our area. I’ve noticed that the mounds seem to be getting taller and taller.

How tall? Well, one fire ant colony has submitted a request to the Nashville Planning & Zoning Commission to build a multi-story mound.

And another wants a zoning variance so that several colonies could go together and build one super mound. As it is now, they are Fire Ant Zone 1 which is for single colonies only.

One progressive fire ant was heard to say “If foot traffic gets any worse down here we’re gonna need a certified J-Turn Ant Officer.” Good luck getting that done, I say from experience.

In my neighborhood one particular fire ant mound has a chimney. With smoke curling out of it on cold mornings.

As if run-of-the-mill fire ants weren’t bad enough, now there is a new species called ‘crazy fire ants.’

They are called ‘crazy’ because they act as if they have no fire ant common sense at all. The bad thing about crazy fire ants is that they are attracted to electrical wiring and they are compelled to chew on the stuff until it shorts.

They will bite anything, including you if you’re anywhere near them. Sorta like diehard Razorback fans after another fourth quarter collapse. But that’s another story and I’m sure you wouldn’t be interested.

However, there is no known case of a diehard Razorback fan actually biting anything other than his/her own tongue.

THE GOOD EARTH. We barely got to enjoy the muted colors of our autumn when the strong winds of the weekend shook the leaves from the trees.

Fall is a wonderful time of year. I already miss (sorta) Summer, and I dread (sorta) Winter, although Winter may already be here.

It seems like just a few days ago I was asking the Almighty for relief from the heat.

● ---- ● --- ●

I’M GETTING PRETTY GOOD at guessing which house is having bacon for breakfast. When I make my pre-dawn walk around the neighborhood sometimes the smells make me drool. I experienced a new smell this week. Someone, I swear, was baking cinnamon rolls.

And to this person I have just one thing to say: “Stop it or share!”

Arkansas Community Colleges also saw overall increases in enrollment, with the University of Arkansas Community College at Morrilton showing a 23 percent jump.

This is the fifth consecutive year the University of Arkansas at Fayetteville has set an overall enrollment record with 34,175 students for the fall 2025 semester, the highest enrollment in the university’s history.

Arkansas State University is celebrating a record-breaking student body this fall with 11th-day enrollment count surging to 17,926. It’s fueled by the largest freshman class ever with 2,222 first-year students, a 12 percent increase

compared to last year.

Arkansas Tech University recorded an 8 percent increase in total enrollment this fall with a 13 percent increase in transfer students and 6 percent increase in graduate students.

The University of Arkansas for Medical Sciences had a 6.4 percent increase in enrollment for fall 2025.

This fall, the University of Arkansas at Little Rock had a minor increase in overall enrollment with approximately 7,011 students, after achieving their largest increase in enrollment in 20 years in fall 2024. Freshman enrollment saw a sizable gain with a 33.3 percent increase from fall 2024.

Henderson State University’s fall 2025 enrollment was 2,258 students, a 9 percent increase from the previous year. This includes 572 first-time freshmen, a 46 percent increase, plus 196 transfer students, a 32 percent increase.

University of Arkansas at Pine Bluff, the system’s only historically Black college, had a slight decline from fall 2024 enrollment, although graduate student enrollment increased by 4 percent over last year.

Furthermore, the university was recently awarded a \$2 million grant from the Thurgood Marshall

College Fund to launch PRIDE RISES — Prioritizing Recruitment to Innovate and Drive Enrollment for improvements.

Notable increases at public two-year colleges grew from fall 2024 with UA-East Arkansas Community College, Forrest City posting a record-breaking enrollment of 1,566 students for fall 2025, a 11.2 percent increase over the previous year.

This is a new high for the college, which had 1,399 students in fall 2024.

North Arkansas College in Harrison saw a 4.9 percent increase in its student headcount to 2,190 for the fall 2025 semester, up from 2,087 the previous year.

For the third consecutive year, UA Hope-Texarkana had a fall-to-fall enrollment increase which climbed by 7.7 percent.

Black River Technical College, Pochontas saw a 1 percent drop in fall 2025 enrollment, although they welcomed 253 first-time freshmen and had a 12.6 percent increase in Career and Technical Center enrollment.

Southeast Arkansas College in Pine Bluff had a decrease by 1 student and ASU Three Rivers in Malvern saw a slight decrease of 1.6 percent from the previous year.

Government shutdown hurts state

By U.S. Sen. John Boozman

“Everything feels uncertain because of something completely out of our control.”

These are not my words, but I agree with the Arkansan who shared them: Washington has put them in a difficult situation.

Over the past several weeks, my offices have heard from thousands of constituents worried about the real-life impacts of the ongoing government shutdown.

The frustration is well founded. Hearing their worries, questions and stories only strengthens my desire to solve this problem before, as one Russellville resident cautioned, the consequences spread any further.

Right now, active duty service-members and citizen-soldiers in communities across our state are fulfilling their oath without the guarantee of an on-time paycheck. That distressing reality sows instability in addition to creating added stress for loved ones supporting those in uniform. They deserve better.

Fortunately, local institutions and organizations are stepping up to the plate to help them navigate the uncertainty with everything from loans to groceries and even counseling.

Veterans and their families have been harmed as well, including a widow from Hot Springs who struggled to secure the necessary

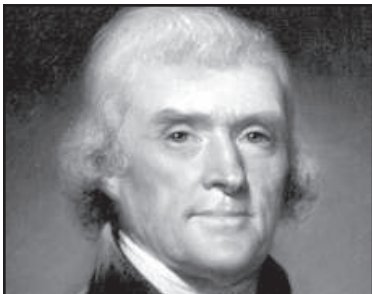

forms from the shuttered National Archives to verify her husband’s eligibility for burial benefits. Instead, she was forced to use funds set aside for her rent and living expenses. This too is inexcusable and heartbreaking.

My staff and I have also heard from families anxious about access to Head Start programs. Without new contracts and funds, six facilities in Little Rock and North Little Rock will be forced to furlough staff and turn away nearly 500 young children reliant on developmental care.

Food assistance for vulnerable Natural State residents is also in jeopardy. We have seen multiple news reports as well as direct outreach from individuals and families facing true hunger if the Supplemental Nutrition Assistance Program lapses.

Using these Arkansans, many of whom are veterans, children or elderly, as pawns in a political game is callous. It is past time to stop holding their ability to put food on the table as ransom and do the right thing.

In the meantime, we are heartened to know local food banks, churches and good Samaritans will exhaust their resources to help fill the gap. Ozark residents are already seeing an outpouring of that spirit, and the same will be true between all four corners of Arkansas.

“Were it left to me to decide whether we should have a government without newspapers, or newspapers without a government, I should not hesitate a moment to prefer the latter.”

Thomas Jefferson, 1787

to do a good job on the perimeter,” Chesshir said.

Pocahontas defenders “will try to stop the run.”

The winner of Friday night’s game will play Heber Springs or Prairie Grove.

Genoa Central

The Scrappers enter the playoffs coming off a 56-0 win over Genoa Central Nov. 7 in Nashville.

“We started slow,” Chesshir said. “We had a couple of starters out. We’re trying to get healthy for the playoffs. It was hard to get in rhythm, but we settled down and got after” the Dragons.

“For the first time I can remember, we held a team to negative total yards,” Chesshir said. “They had a minus six yards. That’s hard to do. Our defense played really well. We forced some turnovers,” including two interceptions and two fumble recoveries.

On the other side of the ball, the Scrappers threw two interceptions. “We wanted a perfect game but turned the ball over,” Chesshir said.

Despite losing the ball twice, the Scrappers rolled up 423 yards total offense. “We had the ball most of the game and ran 52 plays to 35 for Genoa.”

Bryce Perrin “played well

at running back,” scoring three touchdowns.

“I’m proud of our offensive linemen. These guys stopped up and played. Halton Howard played for De’Shawn Hawkins,” who was resting his ankle for the playoffs.

Jamison McIntosh “went down early” with an injury, and the Scrappers “shifted guys around. Jaydon Williamson came over to the offensive line.”

Offensively, “A lot of guys touched the ball,” Chesshir said. The Scrappers had 274 yards rushing and 149 passing.

“It was good to see Tucker [Dixon] back after a torn ACL” in the Ashdown game, Chesshir said. “He’s a hard-nosed kid who will do whatever he can for the team. We’ll continue to evaluate him on a weekly basis.”

DJ Jefferson, back from an injury, threw for 109 yards and ran for a touchdown.

“Overall, it was a good night. We’re the outright conference champs. Now, it’s time to move on,” Chesshir said.

Against Genoa, Jacoby Hopson completed 2 of 5 passes for 40 yards, a touchdown and 2 interceptions. He also ran the ball 4 times for 22 yards and a TD.

Jefferson was 8 for 9 passing for 109 yards and the touchdown. He also ran the ball 3 times for 19 yards and a TD.

Davante Gilliam caught 3 passes for 42 yards and a

touchdown.

Gauge Applegate made 3 catches for 46 yards and a TD.

Jailyn Staggers had a reception for 38 yards. Karson Chambers had 2 catches for 20 yards, and Perrin had 1 reception for 3 yards.

Perrin was the leading rusher with 15 carries for 119 yards and 3 touchdowns.

Dixon carried 7 times for 46 yards and a TD.

Myles Hawthorne carried 6 times for 50 yards.

Mack Arnold had 3 carries for 18 yards.

On defense, Abari Williams made 4 tackles and recovered a fumble.

Brayden Erby also had 4 tackles, including a tackle for a loss.

Lucas Aylett had 3 tackles and a TFL.

Williamson made 2 tackles, had a TFL and recovered a fumble.

Josh Walker had 2 tackles and a sack.

Coretez Cooper recorded 2 tackles and intercepted 2 passes.

Blake Moody made 2 tackles, Malik Gilliam had 2 tackles and a TFL.

Other Scrapper tacklers in the win over Genoa included Khamari Canaday, Jacob Teague, Hayden Gray, Jailyn Staggers, DaVonte Gilliam, Alden Bradley, Drew Mitchell and KJ Coulter.

work on his truck.

He didn’t know what he was getting himself into.

“I did get a little carried away,” he says with a smile. “My plan was not to get that deep into it, but it’s kind of an addiction, like a drug addict with his drugs.”

By the time he was finished, it was a total restoration. The only thing Andy didn’t do was the painting, which was done at York Gary.

“This one is a ground-up,” Andy says with pride. He completely disassembled the entire truck. “There’s not a bolt in it that hasn’t been replaced,” he adds. “I did all of it myself. It took me almost two years to the day.”

Andy’s wife of 39 years, Mindy, said, “He tore it all apart. There were parts everywhere. I asked him, ‘Are you ever going to remember where everything goes?’”

Andy’s secret was to take pictures of each step. Then he lost his cell phone with all of the pictures on it.

“He did a good job without the pictures,” Mindy says, grinning. “There weren’t any parts left over when he got through.”

The Chevy has a brand

new 350 cubic inch, 400 horsepower V-8, and Andy won’t be sneaking up on anyone. It’s loud. Really loud.

And when you see Andy and Mindy coming down the highway in the Cheyenne, they’re sitting side-by-side like a couple of love-struck teenagers.

“People say, ‘Y’all look so cute riding by each other,’” Mindy said, the grin returning. “It’s because Andy put ‘Angry Housewife’ mufflers on it. I can’t hear him. I have to sit close beside him so we can talk.”

This past summer, Andy and grandson Jason drove the showroom-fresh, 53-year-old 1972 C10 Cheyenne Super to the C10 Nationals, a truck show at the Texas Motor Speedway, where people started trying to buy it from him. “I had three different guys who were really wanting it, but I never would give them a price. I’m going to be buried in that truck.”

Andy and Mindy are going to buy a small utility trailer now, large enough for their luggage, and have it painted the same colors as the truck.

Then they’ll follow Route 66 from Chicago to Los Angeles and head north to see the giant Redwood trees. The Cheyenne might be a

show truck, but it’s hitting the road.

And what’s next, now that you have the Cheyenne done?

“I have a 1952 five-window Chevrolet truck. That’s the one we’re starting on now,” Andy says with a glint in his eye. “Actually, I have three. I’m gonna take the three and build one out of them.” This one will be grandson Jason’s truck, and it’ll have the rebuilt 350 V-8 that is the original engine from the 1972 Cheyenne.

Then Andy gets a serious look on his face. “We’re not going extensive on the ‘52 like I did with the Cheyenne. We’re going to make the inside nice and make it run good, drive good, stop good. We’ll clear coat it and it’s going to be what we call a rat rod.”

Um-hmm.

To the residents of Howard County, don’t be surprised when you see a drop-dead gorgeous 1972 Chevrolet C10 Cheyenne Super coming down the road with two people sitting close like teenagers.

And don’t be surprised if, in a couple of years, you see a teenager driving down the road in a growling, drop-dead gorgeous 1952 Chevrolet 5-window pickup.

That’ll be grandson Jason, driving and grinning.

Sweet, Southern, Seasonal:
Fuyu Persimmons Thrive in Southwest Arkansas

By Angie Freel
Howard County Family & Consumer Science

As the leaves turn and the air cools in Southwest Arkansas, a vibrant orange fruit begins to appear in local gardens and markets: the Fuyu persimmon.

Often overlooked in favor of more familiar fall produce, this sweet, non-astringent fruit is gaining popularity among gardeners and cooks alike—and for good reason.

What Are Fuyu Persimmons?

Fuyu persimmons (Diospyros kaki) are a variety of Asian persimmon known for their squat shape, crisp texture, and honey-like flavor.

Unlike the sharp and severe Hachiya persimmons we normally find around here, Fuyu’s can be eaten while still firm, making them ideal for fresh eating, baking, and preserving.

Native to East Asia, Fuyu persimmons were introduced to the U.S. in the early 1900s and have since found a comfortable home in the South. Arkansas’s humid subtropical climate—with hot summers and mild winters—makes it well-suited for growing these trees. Fuyu persimmons thrive in

USDA zones 7–10, which includes most of Southwest Arkansas.

Growing Fuyu Persimmons in Arkansas

Fuyu persimmon trees prefer full sun and well-drained loamy soil with a pH between 6.0 and 7.0. They are relatively low maintenance once established and can tolerate short periods of drought, though consistent watering improves fruit quality.

Trees typically begin bearing fruit within 3–6 years and can live for decades.

Local gardeners should plant in early spring or fall, spacing trees 15–20 feet apart to allow for air circulation and sunlight. The fruit ripens from October through December, often hanging on the tree well into winter.

Health Benefits

Fuyu persimmons are not only delicious, they’re also packed with nutrients. A single fruit contains:

- Vitamin A for eye health
- Vitamin C to boost immunity
- Dietary fiber for digestive health
- Antioxidants like beta-carotene and catechins, which help reduce inflam-

mation and support heart health.

Low in calories and high in flavor, Fuyu’s are a smart addition to any fall diet.

Recipe of the Week
Roasted Fuyu Persimmons w/ Honey & Cinnamon

This warm, fragrant dish is ideal for chilly autumn evenings. Roasting brings out the natural sweetness of Fuyu persimmons, and the honey-cinnamon glaze adds a comforting seasonal touch. Serve it as a side dish, dessert, or even a breakfast topping.

Ingredients:

- 2 ripe but firm Fuyu persimmons
- 2 tablespoons honey (or maple syrup for a vegan option)
- ½ teaspoon ground cinnamon
- 1 tablespoon olive oil or melted butter

***Optional:** a pinch of nutmeg or cloves for extra spice

Instructions:

- Preheat your oven to 375°F (190°C).
- Slice off the tops and bottoms of the persimmons, then cut into ½-inch thick rounds.
- Arrange slices on a parchment-lined baking sheet.
- In a small bowl, mix hon-

ey, cinnamon, and olive oil. Brush the mixture over the persimmon slices.

Roast for 20–25 minutes, flipping halfway through, until the edges are golden and caramelized.

Serve warm, optionally topped with a dollop of Greek yogurt, whipped cream, or a sprinkle of chopped nuts.

This dish pairs beautifully with roasted meats, can be layered into yogurt parfaits, or served over oatmeal for a festive breakfast.

Fuyu persimmons are available at the Howard County Farmer’s Market that is held on Fridays here in Nashville through November 21, along with Arkansas black apples, and other delicious home grown produce. It opens at 7:00 a.m. – check it out!

Local paramedic running for Howard County coroner

Soon after officially filing for the office of Howard County coroner Monday morning, local EMS paramedic Alan Laxton announced his intention to seek the office. The following is Laxton’s announcement:

“My name is Alan Laxton, and after much consideration and prayers, I am excited to announce that I have filed to run as your Howard County Coroner.

“I have worked with the Howard County Coroner’s office as deputy for a few years under the former Howard County Coroner, John Gray. During that time, I acquired my Toxicology Certification, Medicolegal Death Investigator Certification, Sudden Unexplained Infant Death Investigator Certification, and Forensics Toxicology Certification. Later, I relocated out of the county and was sworn in as Deputy Coroner for Lafayette County, Ark. During my time I have investigated several different types of scenes and causes of deaths. I have obtained my Associates of Applied Science in Paramedic degree through UAHT.

“During my education I was pleasantly awarded two national scholarships and graduated

Alan Laxton

with honors and active in the honors society. While attending UAHT in Hope I was elected as the first ever Student Government President for two consecutive years. I currently work in EMS with Pafford as a paramedic for seven years. I love to take care of those in need and their families. Knowing that patients and families both need me in their time of need is what keeps me striving to take care of our communities. In addition, I have worked as first responder and assistant fire chief within the county.

“I am honored to have this opportunity to run as your coroner. I kindly ask for your support and votes for Howard County Coroner to continue supporting those in need when it matters most.”

Facts About The BIBLE

BY JOHN LEHTI

This is a dramatized version of facts taken from the Book of Genesis intending to show some of the customs of these ancient and traditional times

ABRAM IN EGYPT

WITH PHARAOH TERRIFIED BY A PLAGUE, WHICH HIS PRIEST TELLS HIM IS DUE TO ANGERING ABRAM'S GOD BY TAKING SARAI AWAY FROM HIM, PHARAOH NOW SENDS IN HASTE FOR ABRAM....

WHAT IS WRONG? WHAT HAVE I DONE?!

...HERE AT THE PALACE, ABRAM IS BROUGHT INTO PHARAOH'S WRATHFUL PRESENCE, QUITE BEWILDERED....

...HIS BEWILDERMENT INCREASES AS THE PHARAOH LAUNCHES INTO A TIRADE....

WHAT HORRIBLE THING HAST THOU DONE TO ME?! WHY DIDST THOU SAY THE WOMAN WAS YOUR SISTER, WHEN SHE REALLY WAS YOUR WIFE—I MIGHT HAVE MADE HER MY WIFE AND BEEN DESTROYED BY YOUR GOD! NOW, GO! LEAVE MY LAND!!

...AFTER ALL, ABRAM HAD NO DESIRE TO LOSE HIS WIFE—IT WAS PHARAOH WHO TOOK HER INTO HIS PALACE, BUT NOW....

Hornets bounce Rattlers from playoffs

The Mineral Springs Hornets seem to be enjoying their role as spoiler this season - first knocking the Dierks Outlaws out of playoff contention in Week 9 and then ending the season for the Murfreesboro Rattlers, 30-6, Friday night.

The win locked in the Hornets (4-6/4-3) for the playoffs and they will hit the road Friday for a two-hour bus ride to face the Hampton Bulldogs.

The 4-2A Bulldogs are 9-1 on the season and have average 400 points per game while giving up 230 from their opponents.

"There's a reason Hampton is 9-1," said Hornet Head Coach Jarrod Jackson. "They're a quality football team with talent all over the field."

Jackson said the Hornet offense continues to get better and Friday against Murfreesboro was no different while the defensive group "has been outstanding and continues to set the tone."

"It's incredible to see how far this team has come after starting the season 0-5," Jackson added. "Our kids deserve all the credit. Things could've gone the other way, but our guys put their noses down and kept working. We stayed focused on where we wanted to be, and our guys really responded."

Friday's game against the Rattlers saw the Hornets gained a total of 400 yards with 241 from the ground game and 159 via the

pass. Quarterback Keithen Dixon carried the ball 15 times for 127 yards and one TD and also completed 8/23 passes for two TDs and no interceptions.

Adding to the ground game were Cortney Thomas with 7/55 yards, Jamerian Staten with 8/32 yards and one TD and Keiandrian Nunally with 2/27 yards.

Doxon's receivers included State with six catches for 129 yards and one TD, Brandon Allen with one catch food for a 20-yard TD and C. Thomas with one for yards.

On defense, Amarion Maxwell, Christian Steward, Christian Matlock and Damoney Nolan all registered six solo tackles and J. Staten is credited with an interception that set up Mineral Springs' first points of the game.

Matlock also had three quarterback sacks and Wesley Kuykendall had one sack.

MHS ends the season with a 5-5 record and a 3-4 mark in conference play.

Junction City, the 3-2A conference champions, will host Bearden this week.

Gurdon (7-3, 5-2), the conference's number two seed, will host Poyen this week, while number three seed Spring Hill (5-5, 4-3) will travel to Carlisle.

Foreman (4-6, 2-5), Dierks (4-6. 2-5,) and Lafayette County (2-8, 1-6) join the Rattlers as the conference teams to not make the playoffs.

HEAD TO HEAD. The Mineral Springs Hornets secured their playoff spot with a 30-6 win over the Murfreesboro Rattlers Friday night at Mineral Springs.

GROUND GAME. Mineral Springs Hornet runner Keiandrian Nunally moves past a Rattler defender.

TD CATCH. Hornet receiver Brandon Allen hauls in a touchdown pass early in Friday night's game.

TIGHT COVERAGE. Hornet defender Dacayveon White does battle with Rattler receiver Kale Burns.

\$1 million celebration to continue Friday morning at Dierks gym

Football is over in Dierks after the Outlaws wrapped the season last Thursday night in Gurdon with a 49-12 loss to the Go-Devils. But, there is still plenty to celebrate - and they will celebrate - in the Dierks community this Friday when T-Mobile delivers the big \$1 million grand prize.

The Dierks High School and surrounding community members will

gather in the gymnasium Friday, Nov. 14 from 9:45 to 11 a.m. for a special celebration to honor Dierks as the grand prize winner of the T-Mobile nationwide Friday Night 5G Lights competition.

As this year's grand prize winner, Dierks will receive a major stadium transformation valued at \$1 million along with a Gronk Fitness weight

room renovation, consultation with stadium experience experts, an all-expenses-paid trip to the SEC Championship Game on Dec. 6 for 16 school representatives and a tailgate party revealing the finalized upgrades in 2026 — "all designed to give the Outlaws' home field a high-tech glow to match their grit."

DHS also earned an addition \$30,000

from T-mobile for being a finalist in the contest.

The Howard County community of 900 rallied together to secure nearly two million votes in the online sweepstakes, pulling support from all across the country and some further.

The Outlaws closed out the season with a 2-5 conference record and a 4-6 overall mark.

- When venturing outside, stay away from downed power lines and be alert to the possibility that tree limbs or debris may hide an electrical electrical hazard. Assume any dangling wires you encounter are energized and dangerous. Warn others to stay away and contact the electric utility.
- If you are driving and come upon a downed power line, stay in your vehicle, warn others to stay away and contact emergency personnel or electric utility. Also, when driving, be careful at intersections where traffic lights may be out. Stop at all railroad crossings and treat road intersections with traffic signals as a four-way stop before proceeding with caution.

Murfreesboro to host Holiday Craft Sale this Saturday in two locations

The third annual Murfreesboro Holiday Craft Sale is set for Saturday, Nov. 15 from 9 a.m. to 3 p.m. at the Murfreesboro Municipal Building and Murfreesboro Senior Center.

In addition to all the great gift purchase possibilities, attendees will also be able to satisfy their hunger with Kirk Stone’s Flying S Barbeque onsite as well as Pike County 4-H serving up biscuits and gravy for the early shoppers and snacks plus hot dogs in the municipal building kitchen.

A few spaces are still left for vendors, event director Robin Cox said, noting an effort to make things exciting for both vendors and attendees.

“We try to keep a good variety of crafters with not many vendors with repeat items. Some vendors may have items in the same category but also have other items as well. Multi-level marketing companies or retail sells are not allowed.”

If you are interested in being a vendor, email Darrenandrobin3@gmail.com you will be sent an application.

“Please help support these local crafters by coming to shop on November 15,” Cox said, noting that vendors would be from mostly southwest Arkansas – Nashville, Glenwood, Percy, Hope, Arkadelphia and Ashdown. “We try to keep it local handmade.”

Cox said there would be a good mix of returning vendors and new vendors from last year.

Items that can be purchased will include quilts, woodworking, paintings, sublimation items such as tumblers, t-shirts, goat milk soaps, jewelry, toys, ceramics, tallow balms, essential oils, crocheted plushies and Christmas ornaments/décor.

Homemade goodies such as macaroons, sourdough bread, freeze-dried candy, jams/jellies and cookies and candies will also be available for purchase.

The event will also draw for door prizes – a pair of \$25 Texas Roadhouse gift cards will be given away. Registration will be accepted at both venues, so attendees are encouraged to enter once at both locations. You need not be present to win.

Pike County 4-H will also be on hand selling various brittles, Texas Roadhouse rolls and honey butter as part of their ongoing fundraising campaigns.

JANUARY DATE SET FOR STORE OPENING. Progress on the new Chimney Rock grocery store in Murfreesboro is coming along well, according to building owner Jack Bonds. With floors to be polished this week and HVAC ducts yet to be installed, most of the electrical work has been accomplished with walk-in coolers (above) delivered. The business will also have a gas fireplace to give that homey feel. Bonds said the opening date will be Wednesday, Jan. 14, 2026, after the grocery warehouse has time to return from the end of the year holidays and send enough goods to fill the store. Bonds said he is still seeking old local photos -- especially that of area grocery stores -- to give the final touch. “It’s the only part of the store I am still struggling with ... I want people to be reminded of home and the Murfreesboro of yesteryear. It should have a local touch ... because it belongs to the community.”

City-wide Thanksgiving service Sunday, Nov. 23

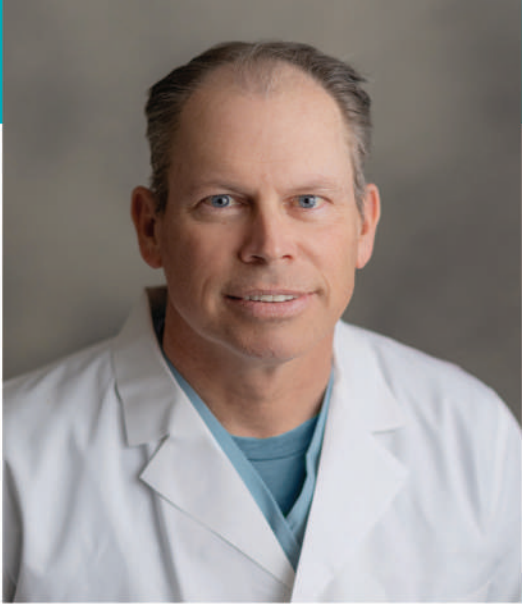

The annual city-wide Thanksgiving worship service will be Sunday, Nov. 23. The service is sponsored by the Area Pastoral Fellowship, and will be hosted by New Life Church, 913 S. Main, Nashville, beginning at 6:30 p.m. Speaker will be Rev. Wade Eggers, pastor of Nashville Global Methodist Church. The public is invited.

Howard County sex offender charged in Pike County for failure to comply

A Howard County man has been charged in Pike County with failure to comply with registration and reporting requirements of being a sex offender.

Marion Scott Jr., 42, was charged Nov. 7 with failure to cooperate with the assessment process involved in being a sex offender.

According to case information, Pike County Investigator Jason McDonald was conducting a compliance check earlier this year on sex offenders residing within Pike County. During this check, Scott was identified as being delinquent in meeting the requirements.

Scott had alleged failed to appear for his scheduled registration by Oct. 3. “Scott has been a registered sex offender for a sufficient period of time to understand his reporting requirements, including his biannual registration months are April 3, 2025 and Oct. 3, 2025, and these dates do not change regardless of address updates or other modifications,” Investigator McDonald reported.

Scott made his first court appearance on the charge Monday when he pleaded innocent and Jan. 12 pretrial date was set.

Also on Nov. 7, Curtis Jay O’Neal,

25, of Kirby, was charged with possession of methamphetamine and drug paraphernalia.

O’Neal was arrested on Nov. 2 by Pike County Deputy Brandon Copeland during a traffic stop for a defective brake light. O’Neal has prior drug charges and granted the deputy permission to search his vehicle. The deputy allegedly found a small amount of marijuana, a glass smoking pipe commonly used to ingest meth and a small amount of meth. O’Neal made his first court appearance Monday when he pleaded innocent and a Feb. 9 pretrial date was set.

Two charged with felonies after search of Saratoga home nets gun, drugs

Felony drug charges have been filed in Howard County after a joint operation by the 8th South and 9th West drug task forces with the Arkansas State Police on Oct. 9.

Austin Hooks, 28, of Texarkana, and Tonya Stapleton, 42, of Ashdown, were both charged Nov. 5 in Howard

County Circuit Court with trafficking fentanyl, possessing methamphetamine and paraphernalia and possession of firearms by certain persons.

On Oct. 9, a search and seizure warrant was served by three agencies at 601 Chapelle Ridge Road in Saratoga. Items seized included approximately

1.5 grams of fentanyl and three grams of marijuana, used measuring scales, paraphernalia to ingest fentanyl and meth and one loaded Glock 9mm pistol. Hooks and Stapleton, who are both convicted felons and are prohibiting from possessing a firearm, were arrested at the scene.
