School board hires faculty; outgoing member honored

By John R. Schirmer
News-Leader staff

The Nashville School Board made two hires and two transfers during a special meeting Monday.

The board hired Maddie McJunkins McRae for math and science at junior high. In addition, McRae, a former Nashville Scrapperette, likely "will work with softball" as an assistant coach next spring, according to Superintendent Doug Graham. John Martin, the current softball assistant, will be junior high girls basketball and track

coach in 2019-20.

Jami Branch was hired to teach junior high art. She succeeds Twyla Nichols, who will be assistant principal at primary school in the 2019-20 academic year.

Aubry Basiliere was transferred to ALE instructor.

Elessia Scott was transferred from elementary special education to high school special ed.

The transfers mean that the district will have two special ed openings to fill, Graham said.

The hires and transfers

came after a 31-minute executive decision.

Earlier in the meeting, Graham recognized outgoing board president Mark Canaday, who did not seek re-election after 15 years on the board.

"He had two years with [Danny] Howard and 13 with me," Graham said. "Not only am I losing a good board member, but a good friend. He's very concerned about the students of the Nashville School District. We're a better school because he was on the board."

The impact of a small shoebox

Survivor of Rwandan genocide shares story of his journey

By John R. Schirmer
News-Leader staff

Alex Nsengimana (Alex, we'll call him) has a vivid memory. He recalls every detail of the day he slipped down and a bullet whizzed over his head in Rwanda. He remembers the deaths of his grandmother and uncle.

And he remembers the day he received a shoebox filled with gifts from Operation Christmas Child, a shoebox which he says changed his life.

Alex spoke to a crowd of almost 200 Saturday night at the Southwest Arkansas OCC rally held at First Baptist Church in Nashville. He told of growing up during a time of war in Rwanda. He talked about the shoebox and about coming to the United States, where he went to high school and college. He and his wife now live in Boone, N.C., where one of OCC's processing centers is located.

Alex has traveled around the world. Minnesota was his home for high school and college. Now, he spends much of his time as a spokesperson for OCC in the U.S. and worldwide.

His journey has taken him to the Southern states. "I'm learning to speak Southern. Good evening, y'all," he said at the rally.

Alex was born and reared in Rwanda, one of 54 countries on the

LIFE-CHANGING EXPERIENCE. Alex Nsengimana tells how a shoebox from Operation Christmas Child led to his religious conversion and helped him forgive those who killed his grandmother and uncle during the Rwandan genocide of the 1990s. Nsengimana spoke to a regional OCC rally Saturday night at First Baptist Church of Nashville.

African continent, he said.

He gave a brief history of the country, including the war be-

tween his people, the Tutsi, and the Hutu. Those events would lead to the Rwandan Genocide of

the 1990s.

About one million people were killed, and 400,000 became orphans, he said.

As a six-year-old, Alex lived with his grandmother. His mother died of HIV/AIDS. "I never knew my dad," he said.

Alex attended church with his grandmother.

When the Rwandan president was assassinated, troops began killing the Tutsi. "We hid, but neighbors broke into our house. My grandmother was killed," Alex said. "They wanted to destroy families."

Alex's uncle hid, but "someone told where he was. The troops threatened to destroy our house, and he surrendered" and was executed.

Rwanda is called the "land of 1,000 hills," Alex said. As he was running up one of the hills later as he fled the city, "I slipped and fell as a noise went overhead. It was a bullet. Falling saved my life," he said.

Alex and his brother were placed in an orphanage after the deaths of his uncle and grandmother. His sister went with friends. The orphanage was home to 60 children before the war and 250 after. "It was packed," he said.

THE CECIL "BIRDDOG" HARRIS MEMORIAL EARLY FILES

Tales from Howard County's history reprinted in honor of longtime staff historian and photographer, Cecil Harris.

Some unknown person shot at R. C. Stuart in Columbus on the night of 30th of March. Missing his aim only by a hair's breath, the ball went directly through his derby hat and created quite a sensation. Officers have no idea who did it or the cause of the murderous attempt.

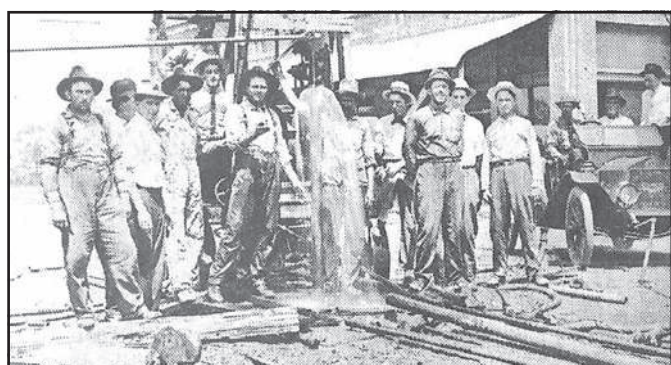

General R.G. Shaver and Captain John A. Hughes of Centre Point are attending the reunion of the ex-confederates at Birmingham, Alabama this week. They will doubtless have a good time.

Small pox has been raging at Texarkana for a week or more and there have been several deaths. A telegram late Thursday evening reported 27 cases and five deaths. All the towns around Texarkana have been quarantined against that place.

A fire of unknown origin completely destroyed the Alice Theatre and the Alice Hotel in Hope at an early hour on April 3. The fire not being discovered until the upper portion of the building was in flames. The building, which was a three story structure, contained a rooming house on the two upper floors. There were eighty rooms. The lower floor housed the Alice Theatre which was said to be the finest theatre building in the state.

Tuesday's rain storm hid the work of a thief in the Elberta Theatre according to manager Cecil Callaham. Sometime between 1:30 and 4:30 p.m. when the torrent was at its worst, \$13.62 was stolen from the theatre office.

Entry was made by knocking out a glass panel on the office door. The lobby door was unlocked and entry to the theatre was no problem. The change was taken from a filing cabinet. "Whoever it was missed about \$40 that was in the open vault in a cashier's box," Mr. Callaham said.

Floyd Matthews of Ozan realized the dream of all lovers of fried chicken recently. A chicken egg hatched out a chick with four legs, and at three weeks of age the part Barred Rock chick is doing fine, pecking away at chicken feed at a normal pace. The extra set of legs are almost normally developed and the chick uses the spare set for his seat occasionally. The spare set is attached well above the normal joint and project high behind.

received an agency award for "Sustained Superior Performance" for carrying out his responsibilities covering all phases of meat and poultry inspections. Dr. Paul Thompson presented the award.

Nashville Junior High's mile relay team won the annual Scrapper Relay event here last Thursday, and the team finished second to Class AA Hope in the division. Members of the Scrapper team include Richard Oxley, Brian Howard, Rickie Westfall and Troy Duke. Howard was high point man and set a high jump record.

An elderly Nashville resident drowned Thursday afternoon while fishing in the relief waters west of the Saline River on the Lockesburg Highway. He was Jim Anderson, age 87.

Sheriff Conrad Bagley said Anderson was pole fishing on the bank of the water and possibly stood up and lost his balance on the slippery bank. Duncan Scoggins, a feed truck driver passing by, saw Anderson floundering in the water, but Anderson had gone under by the time Scoggins ran from the highway to the bank of the river.

AT RALLY. Members of the First Baptist Church children's choir perform at the regional Operation Christmas Child rally Saturday night at FBC. About 200 people attended the event, according to OCC organizers.

OCC

Continued from page 1A

Samaritan's Purse, the parent organization of Operation Christmas Child, entered Rwanda after the war. Workers refurbished hospitals and did other work.

One day when Alex was seven, OCC volunteers showed up with the shoeboxes. "I was very excited. There were 250 kids opening a gift for the very first time," he said.

"When I looked in my box, there were a lot of special items, including a comb. There were candies that looked like medicine, and we wondered why anybody sent medicine. They turned out to be Smarties," Alex said.

He discovered a strange object wrapped in plastic.

It turned out to be a candy cane. "Every time I see a candy cane now, I think of my OCC box."

With the arrival of the shoebox, "The seed of love was planted in my life," Alex said. "We're all created in the image of God. Later, I was struggling with why I was spared with not even a scratch while a million others lost their lives. Why would God watch as one million people were killed."

At that point, Alex read Jer. 29:11 - "'For I know the plans I have for you,' declares the Lord, 'plans to prosper you and not to harm you, plans to give you hope and a future.'" (NIV)

The OCC box was "a gift from a stranger. Why do you pack those shoeboxes?" he asked those at the rally. "I experienced a miracle. I asked God into my life" after receiving the gift, he said.

As he grew older, Alex

became angry at those who had killed his family members. "I wanted to do what had been done to my uncle and grandmother. I struggled with that over the years."

In 1998, Alex landed in Houston with a choir group. He shared his testimony during the trip.

In 2003, he was back in the United States, this time with a family in Minnesota for high school and college. While in school, he organized a shoebox packing night.

"We made hot chocolate and had popcorn. We watched 'Elf' and packed boxes. You can substitute for the hot chocolate and popcorn if you have a packing night, but you have to watch 'Elf,'" he said.

In 2009, Alex visited the processing center in Dallas, where he "learned a bigger picture of ministry"

and found OCC to be a year-round operation for volunteers.

Alex returned to Rwanda and wanted to meet those "who caused me pain, the killer of my grandmother and uncle."

In 2013 he visited a prison where his uncle's killer was incarcerated. "I met him and asked why. He said he was just following orders. He remembered three children being there when it happened. At that point, the Lord took my anger. I knew that God loves just the same, whether it's a six-year-old boy or a guy who killed 30 people."

Alex asked the audience "who caused you the most pain? What if the first one you see when you leave is that person. I know the freedom I have. I'm not in bondage any more. If that person repents, God will forgive him. That is the gospel of Jesus Christ."

BAXTER BLACK

ON THE EDGE OF COMMON SENSE

Random thoughts in early May

I was visiting with Lisa after their bull sale this spring. She remarked on the overabundance of bulls for sale around the country this year. Competition is stiff. She said she counted the number of bulls advertised on Superior Livestock video and figured if they were placed end to end they would reach farther than you could point!

Her husband Lee, ever the deep thinker, pondered on the dilemma and came up with the perfect modern genetic answer; outlaw polygamy in cows!

By gosh, I thought, a solution that fits the times. One bull per cow. But then I began to think it through. Would each cow (as opposed to marriage in horses) be intended for life? Or would we allow for divorce and recowage (or dehorse and remarriage)?

Would calf-support payments then be required till the calves were of weaning age or shipping whichever came first? And would a heifer that calved out of cowlock be declined subsidy payments and hay stamps if she was still a yearling?

Would a cow (as opposed to marriage in horses) be intended for life? Or would we allow for divorce and recowage (or dehorse and remarriage)?

Would the cows, likewise, drop their calf off at day care and go to their respective cow field where they'd eat grass, talk about their calves and share fantasies about bull pictures in the Artificial

insinuation calendar? Would cowyages be arranged or would courtship be allowed? Would chaperones be required at the weaning prom?

If a bull was caught posing as a molasses salesman and making unwanted advances at the housecow, would he be hamburger at sunrise? After considerable rumination I have concluded that trying to work out the details of outlawing polygamy in cows might put an end to it before it began.

Even if we passed the law, the plan would probably fail anyway.

Cows have never felt guilty about practicing polygamy in the first place. And no amount of political correctness training or moral browbeating would make these now consenting polygamists consider asking that basic question.

The one that separated cowkind from mankind..."I know you love me but will you respect me next estrus?"

Scrapperettes carry top seed from 7-4A into regional tourney

By John R. Schirmer
News-Leader staff

The Nashville Scrapperettes will enter this week's Class 4A South regional at Magnolia as the number one seed from District 7-4A. They're 19-4 overall, 11-1 in district.

Their only conference loss came at De Queen. Nashville defeated the Lady Leopards at the Nashville City Park earlier, leaving the two teams with identical district records.

Under the Arkansas Activities Association points system, the Scrapperettes had to defeat Mena by at least five runs April 24 to claim the top seed. They beat the Lady Bearcats 17-2 to earn the one seed.

Nashville will face Hamburg, the four seed from 8-4A, Thursday at 10 a.m., weather permitting. The winner automatically qualifies for the state tournament next week at Batesville.

Coach Phillip Miller said Monday that the Scrapperettes' chances going into regionals are "pretty good if we play our game. We can't take Hamburg lightly."

Miller said 7-4A is "a pretty strong conference,"

citing De Queen, Nashville and Bauxite among the top teams at the regional.

"Our girls have done a great job," Miller said of his Scrapperettes. "They've played well. We have good depth if needed."

Weather is the main concern going into regionals, not only for the tournament at Magnolia but statewide.

The semifinals for 4A South are scheduled for Friday, with the championship and consolation games set for Saturday if the weather cooperates.

Regardless, "The AAA will get it in one way or another," Miller said.

Benton

The Scrapperettes closed out the regular season April 25 with a 5-0 road win over Benton.

Nashville scored one run each in the third, fourth and fifth innings before adding two in the seventh.

Raley Potter led the Scrapperettes with two runs, followed by Maci McJunkins, Cameri Smith and Jasmine Wakefield with one each. McJunkins' score came on a home run.

Nashville recorded nine hits, led by Potter and Mattison Steele with two each. Julianne Futrell, Addy Harmon, McJunkins, Ellen Spigner and Caroline Kesterson added one a piece.

The Scrapperettes had five RBIs, led by McJunkins with two.

Futrell, Harmon and Spigner had one each.

Steele pitched four innings, giving up one hit and striking out one Lady Panther. McJunkins pitched three innings, allowing four hits.

Mena
The Scrapperettes took

care of business early April 24 at Mena, scoring 14 runs in the first inning. They added one in the second and two in the third for the three-inning run-rule victory. Mena's only runs were in the first.

Harmon and Potter scored three runs each, followed by Futrell, McJunkins, Grace Campbell and Steele with two runs a piece. Kesterson, Aly Dixon and Smith had one run each.

Nashville posted 12 hits against the Lady Bearcats, led by Potter with three. McJunkins, Campbell and Kesterson had two hits each.

The 17 runs came off RBIs, led by Potter with six and Kesterson with three.

McJunkins pitched all three innings, allowing two runs off two hits with four strikeouts.

Ashdown

The Scrapperettes defeated Ashdown 9-1 on Senior Night April 23 at the Nashville City Park.

Futrell was the leading scorer with three runs, with two each from Harmon and Potter. Ashley Chambers and Smith had one run each.

The nine runs came off 10 hits, led by Futrell, Harmon, Potter and Campbell with two each. McJunkins and Spigner had one a piece.

Potter was the Scrapperettes' leader in RBIs with four, followed by Harmon with two. Futrell, McJunkins and Campbell had one each.

Futrell and Potter had one home run each against the Lady Panthers.

Steele pitched all seven innings, giving up one run off six hits. She struck out 12 Lady Panthers.

Scrappers two seed going into regional

By John R. Schirmer
News-Leader staff

For the Nashville Scrapperettes, the road back to Baum Stadium in Fayetteville starts at the Class 4A South Regional Thursday night at Magnolia.

The back-to-back state champions will face Warren at 5:30 p.m. Thursday, weather permitting.

Nashville is the two seed from District 7-4A. Warren is the four-seed from 8-4A. The Lumberjacks are coached by former Scrapper Michael Milum, who played for Coach Kyle Slayton on the 2007 state championship team.

"Michael has them playing really good. They beat Monticello and Magnolia last week. They're feeling good about themselves," Slayton said of Warren.

The Scrapperettes became the two seed after losing to Arkadelphia 4-3 April 25 in a game that, for all practical purposes, was for the district title. The Badgers had one more outing left, a 22-11 decision over Mena the next night.

"I'm a little disappointed we didn't finish that game at Arkadelphia," Slayton said Monday afternoon. "But we've been good all year, for the most part. I still think we're the better team. If we pitch well and play defense, I think we'll be okay."

The Scrapperettes are 23-6 overall, 10-2 in District 7-4A, with both losses coming against the Badgers.

With the chance of rain looming statewide as the regionals are scheduled to begin, "Weather is the biggest factor," Slayton said. "We'll

just have to wait it out."

The Scrapperettes face "a tough road" at Magnolia, according to Slayton. "Warren is a do-or-die game. There are always butterflies in the stomach" in the first regional game, where the winner qualifies for state and the loser goes home.

Slayton said conference teams Nashville, Malvern and Arkadelphia "can all win a game" and advance to the state tournament next week in Batesville.

The regional semifinals are scheduled for Friday, with the championship and consolation games Saturday.

"I hope the weather changes," Slayton said, so that the tournament can go on as planned.

Mena
The Scrapperettes defeated Mena 11-1 April 24 in the last week of the conference race. Nashville led 5-1 after the fourth inning before adding six runs in the fifth for the run-rule victory at Mena.

Aaron Lott, Landon Tollett, Ryan Brown and Austin Hanson were the leading scorers for the Scrapperettes with two runs each. Colton Patterson, Ty Gordon and Peyton Hilliard added one run a piece.

Gordon was Nashville's leading batter with three hits.

Ten of the Scrapperettes' runs came off RBIs, led by Gordon with four and Patterson with three. Gordon hit a home run against the Bearcats.

Gordon pitched all five innings, giving up one run off three hits and striking out seven Mena batters.

Arkadelphia
The Arkadelphia Badgers

took a 2-0 lead over Nashville in the fourth inning at Henderson State's Clyde Berry Field April 25.

The Scrapperettes responded with three runs of their own for a 3-2 lead in the top of the sixth.

Arkadelphia sealed the win with two runs in the bottom of the seventh.

Cason Drummond, Jaydon Hostetler and Hanson scored against the Badgers.

The Scrapperettes recorded seven hits against five for Arkadelphia. Gordon and Hanson had two hits each, followed by Patterson, Drummond and Hostetler with one each.

Hanson had two RBIs.

Jamison pitched for Nashville, giving up four runs off five hits. He struck out six Badgers.

Ashdown
The Scrapperettes took a 2-0 lead in the first inning at Ashdown Monday afternoon. That would be their only lead of the game as the Panthers took a 12-7 non-conference win to wrap up the regular season.

Scrapper scores included two each from Lott and Hanson, with one a piece from Tyler Beene, Jake Mooror and Hostetler.

Nashville managed five hits against the Panthers, led by Patterson and Jamison with two each.

Five of the Scrapperettes' runs came off RBIs, led by Lott and Patterson with two each. Jamison added the other.

Hostetler, Will Pope and Mooror shared pitching duties, allowing a combined 12 runs off 12 hits with six strikeouts.

GOT HER. Raley Potter goes to the ground for the catch and an out against Ashdown in Nashville's 9-1 home win over the Lady Panthers April 23 at the city park. Potter made plays on defense and on offense. She scored two runs, had two hits and drove in four RBIs. The Scrapperettes are the top seed from District 7-4A going into the regional tournament May 2-4 at Magnolia. They are scheduled to play Hamburg at 10 a.m. Thursday, May 2, weather permitting. The winner will qualify for state and will advance to the regional quarterfinal May 3.

Lady Rattlers finish behind Horatio in district tournament

Open regional play Thursday

DIERKS -- Entering the 7-AA conference tournament, the Murfreesboro Lady Rattlers softball team would find their way into the championship game.

The week began on Tuesday for the Lady Rattlers against Acorn in the second round. Murfreesboro would jump out to a 3-0 lead in the bottom of the third inning and tack on seven runs in the bottom of the fifth to close out a 10-0 win.

Brady Hignight had a triple, three RBIs and a run scored for the Lady Rattlers. Hannah Kuykendall would double twice along with an RBI and run scored. Madison Humphry doubled and drove in two runs, while Lainie Baxter had three hits and stolen bases, including a double, along with two runs scored and an RBI.

Jarah Cox pitched the complete game for MHS, allowing only a single hit -- to Acorn's Mykayla Anderson and a walk to Makenna Goss.

Goss, Emily Blair and Halli Holland would all see time on the mound for Acorn.

The win moved the Lady Rattlers into the semifinal round against Coasstot River and ensured the team of further play by guaranteeing them a slot in the regional tournament this week at Parkers Chapel.

Not satisfied with the

semi-final appearance, the Lady Rattlers would muster a 7-6 win over their new-found rivals.

Cossatot River would score a run in the first and second innings for a 2-0 lead. After the Lady Rattlers cut the lead in half in the third, the Lady Eagles would score again and add two more in the bottom of the fifth inning for a 5-1 lead.

The Murfreesboro bats came alive in the sixth inning with two outs. Hope Littles would get aboard with a hit-by-pitch, followed by Kuykendall who drew a walk. Emma Corbitt, Baxter and Cox would each single in an RBI before the close of the inning.

With the score 5-4, the Lady Rattlers would hold CRHS scoreless in the bottom of the sixth and add three runs in the top of the seventh on a home run by Kuykendall to take a 7-5 lead.

Cossatot River was able to manufacture a lone run in the bottom of the seventh to make the game more interesting, but would ultimately fall just short.

Kuykendall had Murfreesboro's only other extra base hit, a double, en route to her three RBIs and runs scored. Baxter had a three hits and two RBIs, Emma Corbitt added a pair of singles and walks with a run and RBI.

Murfreesboro Lady Rattlers Class 7-2A Runners-Up

Kaylin McKee had a pair of triples for the Lady Eagles and scored three times, while Savannah had three hits, including a triple, with one RBI and two runs scored. Marissa Hammer had an RBI double, while Rhyen Martin and Laren Drive each had two RBIs for CRHS.

Cox would allow eight hits and six runs in the game, with no walks or strikeouts, while her counterpart -- Shanna Johnson -- gave up 13 hits, seven earned runs and four walks along with earning three strikeouts.

The Lady Rattlers moved to on the championship game and a rematch against

the Horatio Lions, who had defeated MHS 3-2 two weeks previously.

The Lady Lions secured the district tournament title with a 6-3 win.

The game would again be close, with Murfreesboro jumping out 1-0 after their half of the first inning on a Cox RBI single. Horatio would answer with a pair of runs in the first and third innings to take a 4-1 lead.

The Lady Rattlers battled back in the fourth with a two-RBI single by Corbitt, however, Horatio would close the door with a pair of runs in the bottom of the sixth while holding MHS

scoreless the rest of the way.

Baxter, Rhealee Campbell and Hope Littles (2 stolen bases) each scored a run for MHS in the loss. Madison Humphry had the only extra base hit for Murfreesboro with a double.

LeAnn Beasley was important in all aspects for the Lady Lions, garnering a triple, a home run and a pair of runs and RBIs while at bat, plus stranding 11 Lady Rattlers on the base paths while allowing nine hits, three earned runs and two walks on the mound.

Cox was charged with 10 hits, five earned runs and a strikeout for MHS.

With second place secured before moving on to play in the regional tournament this week, the Lady Rattlers participated in a tuneup game at De Queen on Monday, which saw the Lady Leopards take a 10-0 victory in six innings.

At 14-7, the Lady Rattlers are now set to face the 9-7 Spring Hill Bears this Thursday at 12:30 p.m. in Parkers Chapel as part of the first round of the AA South Regional Tournament. MHS defeated Spring Hill 6-5 at home on April 2. With a win, the team would ensure themselves a place in next week's 2A state tournament.

Dierks Outlaws fall to Lions in 2A championship game

Woodlawn awaits in regionals

DIERKS -- The Dierks Outlaws defeated the Murfreesboro Rattlers 5-0 in the semifinal round of the 7-2A district tournament last Thursday.

Dierks held a 1-0 lead after one, and took control of the game in the fourth inning with three runs.

Zane Cox was in control from the mound for the Outlaws, allowing six hits and a walk while recording 10 strikeouts. In 106 pitches, Cox would throw 66 of them for strikes.

George Thomas recorded a pair of hits, two RBIs and a run for Dierks. Will Sirmon had the games only extra base hit -- a double in the fifth inning -- and scored twice. Courtesy runner Chandler Turner scored a pair of runs and recorded three stolen bases in the win, as Murfreesboro elected to intentionally walk Cox in all five of his at bats from the leadoff position.

Braxton Claborn and Kohl Kersey each has an RBI for Dierks.

Gavin Rawls and Jay Stuard each had a pair of singles for Murfreesboro, while

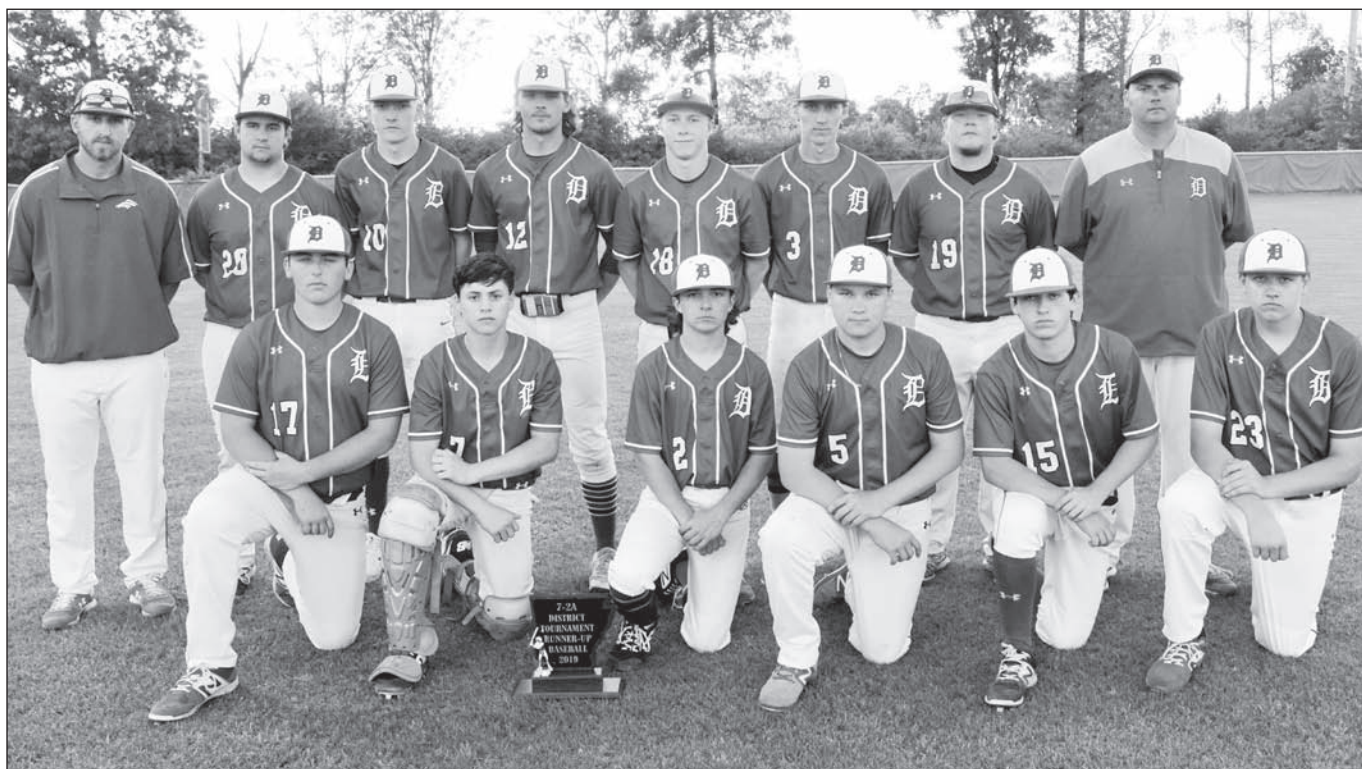

Grady Jones and Jared Taylor recorded the other two hits for Murfreesboro.

Pitcher Alex Bailey started the game for the Rattlers, going 4.33 innings while allowing one earned run on two hits with seven walks and eight strikeouts. Rawls would come in to pitch in the fifth inning and complete the game for MHS, allowing four hits three earned runs and five walks while registering three strikeouts.

The win moved Dierks, who shutout Gurdon 17-0 Tuesday, into Friday's championship game against Horatio, while the loss relegated Murfreesboro to a third seed at this week's Class 2-A South Regional Tournament at Parkers Chapel.

In the championship game, Horatio, who will carry at 15-9 record to the regional tournament to face Harmony Grover Thursday, took home the district title with a 10-0 win over the Outlaws.

After a scoreless first inning, Horatio put four runs across the plate in the second and then put more distance between them and the Out-

laws in the fourth with four more runs. The run-rule went into effect in the bottom of the sixth when Horatio plated two more runs.

The Outlaws were held to only two hits off of Easton Leonard, who struck out one and walked four in five

innings pitched. The Dierks hitters were George Thomas and Will Sirmon.

The Lions collected a total of seven hits off of Outlaw pitchers Chandler Lowery and Austin Mack. Lowery went three inning and allowed eight runs, five hits,

six earned runs and struck out six and walked four. Mack threw 1.2 innings and allowed two runs, two hits and walked one batter.

Murfreesboro (17-6) will face host Parker's Chapel on Thursday at 5:30 p.m. The Trojans have a 24-4 record

on the season after finishing as the #2 seed following the 8-2A conference tournament with a 10-1 loss to Junction City.

The Outlaws (10-10-1) will take on Woodlawn at 12:30 Thursday at Parkers Chapel.

SCRAPPER SCORE. Jaydon Hostetler scores for the Scrappers April 25 against Arkadelphia at Henderson State University's Clyde Berry Field. Nashville fell behind 2-0 in the battle for the District 7-A championship before taking a 3-2 lead in the top of the sixth inning. However, the Badgers added two runs in the bottom of the seventh to take the win and the top seed from 7-4A in the regional tournament to begin Thursday at Magnolia. The Scrappers are second going into the regional.

Blevins ACH benefit May 4 at cafeteria

The 33rd Annual Blevins Community Area-Wide Benefit Barbecue for the Arkansas Children's Hospital is scheduled for Saturday, May 4, at the Blevins High School Cafeteria.

Serving time will start at 4:00 p.m. with carryouts available.

The benefit was started because of the number of children from this area that were patients in the Children's Hospital. Mr. and Mrs. E.J. Hinton and Mr. and Mrs. Dale Bonds each had a granddaughter that had used the hospital and they wanted to do something to express their appreciation for the way the hospital not only treated the patients, but how they cared for the parents and families of the children that were in the hospital. They contacted several in the community and the first benefit was held and raised \$5,000. The community all agreed that this is a great cause and decided to continue to have the event the first Saturday in May.

The annual event has raised more \$320,000 over the past 32 years for the ACH and is one of the oldest contributors to the hospital.

This year, there will be Henry lever action .22 rifle that we will be raffling. The tickets are \$1 each or 6 for \$5.

This year's entertainment will feature The Bear Creek Boys. The Bear Creek Boys have performed at the fundraiser the past 31 years.

This year's benefit will consist of barbecue beef, pork, chicken, cole slaw, baked beans, potato salad, roll, dessert and drink. The cost will be \$5.00 for Adults and \$2.50 for children 12 and under.

ACADEMIC RECOGNITION. Murfreesboro High School junior Brandon White was recently recognized by the South Pike County School Board for his academic achievements. White, who scored a 32 on the ACT, said he will take the test again in hopes of improving upon the score. He also was named the high-point scorer at the Regional Quiz Bowl Tournament and has qualified for the Quiz Bowl All-Star Tournament to be held this Saturday in Russellville, marking the fourth time he has attended the event. As the state's individual high-scorer, White helped lead the MHS Poultry Team to a third-place finish in the state competition, and is also an active member of BETA via community service and assisting educators at school. The 4.0 student said at the moment he has no specific college plans and has not yet determined his future course of study, but would prefer something with a mix of science and mathematics. The soft-spoken White said he, along with his family, thanked everyone who has helped him along the way, including his instructors. White also credited the support of his family, who has backed him while having high expectations in knowing his abilities. White's half-sibling, Mary Jo White-Orr, was the 2004 MHS valedictorian.

'Informational fair' for veterans

There will be an "information fair" for veterans Saturday, May 18 from 9-1 in Texarkana, Texas. The event will be at the Elks Lodge, 3702 New Boston Road, Texarkana.

The purpose of the fair is to assist veterans -- active duty, Reserve and National Guard personnel, and their families -- to obtain information from a variety of sources on VA benefits, programs and assistance. There will also be a voter registration drive for both Texas and Arkansas.

COLLEGE OF BUSINESS AWARDS. Kaitlin Kitchens of Dierks received several awards at the 70th annual Rankin College of Business banquet on April 25 at Southern Arkansas University. They include: Outstanding Student Award for the Rankin College of Business; Outstanding Student in Finance; recognition for time served as president of Phi Beta Lambda and Enactus; and recognition for being an honor graduate. Kitchens' awards at a recent State Phi Beta Lambda competition included first place in personal finance, second place annual business report and second place computer applications. She will have the opportunity to compete at the national Phi Beta Lambda competition this summer in San Antonio, Texas. She will graduate magna cum laude May 3 at 11 a.m. Kitchens is a 2015 graduate of Dierks High School and is the daughter of Mark and Karen Kitchens.

Business owner?
Ask about our business savings rates.

Offers available in AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA. Portfolio by Wells Fargo® customers are eligible to receive an additional bonus interest rate on these accounts.³

1. To qualify for this offer, you must have a new or existing Platinum Savings account and enroll the account in this offer between 03/25/2019 and 05/31/2019. This offer is subject to change at any time, without notice. This offer is available only to Platinum Savings customers in the following states: AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA. In order to earn the Special Interest Rate of 2.08% (Special Rate), you must deposit \$25,000 in new money (from sources outside of Wells Fargo Bank, N.A., or its affiliates) to the enrolled savings account and maintain a minimum daily account balance of \$25,000 throughout the term of this offer. The corresponding Annual Percentage Yield (APY) for this offer is 2.10%. The Special Rate will be applied to the enrolled savings account for a period of 12 months, starting on the date the account is enrolled in the offer. However, for any day during that 12 month period that the daily account balance is less than the \$25,000 minimum, the Special Rate will not apply, and the interest rate will revert to the standard interest rate applicable to your Platinum Savings account. As of 02/15/2019, the standard interest rate and APY for a Platinum Savings account in AR, CT, DC, FL, GA, MD, MS, NC, NJ, NY, SC, TX and VA with an account balance of \$0.01 and above is 0.05% (0.05% APY). Each tier shown reflects the current minimum daily collected balance required to obtain the applicable APY. Interest is compounded daily and paid monthly. The amount of interest earned is based on the daily collected balances in the account. Upon the expiration of the 12 month promotional period, standard interest rates apply. Minimum to open a Platinum Savings account is \$25. A monthly service fee of \$12 applies in any month the account falls below a \$3,500 minimum daily balance. Fees may reduce earnings. Interest rates are variable and subject to change without notice. Wells Fargo may limit the amount you deposit to a Platinum Savings account to an aggregate of \$1 million. Offer not available to Private Banking or Wealth customers. 2. Annual Percentage Yield (APY) is effective for accounts opened between 03/25/2019 to 05/31/2019. The 11-month New Dollar CD special requires a minimum of \$25,000 brought to Wells Fargo from sources outside of Wells Fargo Bank, N.A., or its affiliates to earn the advertised APY. Public Funds and Wholesale accounts are not eligible for this offer. APY assumes interest remains on deposit until maturity. Interest is compounded daily. Payment of interest on CDs is based on term: For terms less than 12 months (365 days), interest may be paid monthly, quarterly, semi-annually, or at maturity (the end of the term). For terms of 12 months or more, interest may be paid monthly, quarterly, semi-annually, or annually. A fee for early withdrawal will be imposed and could reduce earnings on this account. Special Rates are applicable to the initial term of the CD only. At maturity, the Special Rate CD will automatically renew for a term of 6 months, at the interest rate and APY in effect for CDs on renewal date not subject to a Special Rate, unless the Bank has notified you otherwise. 1.2. Due to the new money requirement, accounts may only be opened at your local branch. Wells Fargo reserves the right to modify or discontinue the offer at any time without notice. Minimum new money deposit requirement of at least \$25,000 is for this offer only and cannot be transferred to another account to qualify for any other consumer deposit offer. If you wish to take advantage of another consumer deposit offer requiring a minimum new money deposit, you will be required to do so with another new money deposit as stated in the offer requirements and qualifications. Offer cannot be combined with any other consumer deposit offer. The Portfolio by Wells Fargo \$500 offer, available from March 25, 2019 until May 31, 2019. Offer cannot be reproduced, purchased, sold, transferred, or traded. 3. The Portfolio by Wells Fargo program has a \$30 monthly service fee, which can be avoided when you have one of the following qualifying balances: \$25,000 or more in qualifying linked bank deposit accounts (checking, savings, CDs, FDIC-insured IRAs) or \$50,000 or more in any combination of qualifying linked banking, brokerage (available through Wells Fargo Advisors, LLC) and credit balances (including 10% of mortgage balances, certain mortgages not eligible). If the Portfolio by Wells Fargo relationship is terminated, the bonus interest rate on all eligible savings accounts, and discounts or fee waivers on other products and services, will discontinue and revert to the Bank's then-current applicable rate or fee. For bonus interest rates on time accounts, this change will occur upon renewal. If the Portfolio by Wells Fargo relationship is terminated, the remaining unlinked Wells Fargo Portfolio Checking or Wells Fargo Prime Checking account will be converted to another checking product or closed. © 2019 Wells Fargo Bank, N.A. Include seafood in diet

Most Americans are eating seafood, but are they eating enough? According to the Dietary Guidelines for Americans, most people fall short of the recommended amounts.

Why should seafood be included in your diet? Fish and shellfish, referred to as "seafood," are nutrient-rich protein foods, and eating it at least two times a week is associated with reduced heart disease. Seafood is high in "omega-3 fatty acids", which are healthy fats.

It is recommended that at least two servings of seafood, or 8 ounces, be included in an overall healthy meal plan each week. Overall, about 80 to 90 percent of consumers are not meeting the recommendations.

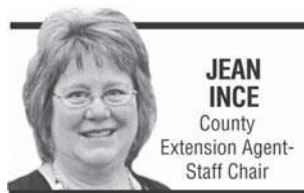

Additionally, a review of published studies that looked at fish consumption's link to heart health pointed to consistent evidence supporting a reduced risk of heart disease when fish, high in Omega 3 fatty acids, was included in the diet. Fish which is high in omega-3 fatty acids include salmon, mackerel, herring, sardines, anchovies, trout and tuna.

While most people love fried catfish and enjoy eating it on regular basis, it is important to include other fish in the diet.

It is also important to find alternative ways to enjoy fish rather than traditional fried catfish. Baked, grilled or broiled fish are all delicious ways to prepare fish.

When buying fish, always choose fish that has been kept at a safe temperature. That often means fish is frozen when we purchase it locally. Frozen fish is high quality and some fish in the fresh case at the grocery store may have been previously frozen.

Fish should have a mild smell. Strong smelling fish may be old or may have been thawed and refrozen. On fresh fish, look at the eyes and flesh of the fish. The flesh of the fish should be firm and the eyes should be clear. Fresh fish steaks and fillets should be moist with no drying around the edges. When buying frozen fish, choose

JEAN INCE
County Extension Agent-Staff Chair

packages that are free of frost and ice crystals. This is an indication the fish has been thawed and refrozen.

If you are purchasing raw shellfish, choose it carefully. Know the seller. Buy only from approved, reputable sources.

All "shell on" seafood should be shipped with a certified shippers tag.

Always wash your hands thoroughly before and after handling raw fish and keep raw fish separate from other ready-to-eat foods. Clean and disinfect surfaces and cutting boards when preparing the fish. Kitchen tools that have come in contact with fresh or thawed fish should be cleaned in hot soapy water or disinfected in the dishwasher.

If you plan to eat your fresh catch or fresh fish you have purchased within two days, you can store it safely in the refrigerator; otherwise, it will need to be put in the freezer. When you plan to eat it, thaw the fish in the refrigerator overnight for best results.

It is important to keep seafood cold. Refrigerate live shellfish properly. Live shellfish, such as clams, mussels, and oysters should be stored loosely covered with a damp cloth in a well-ventilated refrigerator, not air-tight plastic bags or containers.

The shell may gape naturally but should close tightly when tapped. This is an indication they are still alive. If not alive, they should be discarded.

Fish should be cooked to an internal temperature of 145 degrees. It should flake easily with a fork, but use an instant read meat thermometer for checking the internal temperature. Shellfish such as shrimp and scallops turn from fairly clear to cloudy when done.

Oysters, clams and mussels open their shells when they are cooked.

Once fish has been cooked, it will stay safe at room temperature for up to two hours unless the temperature is above 90 degrees, then the time drops to one hour.

Warm spring days are perfect for fishing. If you plan to fish one of the many lakes or pond fish, be sure to keep the fish in a live well or on a stringer until cleaned. It should be put on ice immediately once it is cleaned.

The Food and Drug Administration has more information on keeping seafood safe. Or check out the Howard County Extension Office for a fact sheet on "Safe Handling and Preparation of Fish and Shellfish Products". Call me at 870-845-7517 or visit our office located on the second floor of the courthouse.

Recipe of the Week

This is a great recipe for adding more omega-3 fish to your diet. It is easy to prepare and works great with both fresh fillets and frozen salmon steaks. Include steamed asparagus and wild rice for a delicious meal.

Honey Mustard Glazed Salmon

1 pound salmon fillet or steaks
1 Tablespoon packed brown sugar
1 Tablespoon butter, melted
1 Tablespoon olive oil
1 Tablespoon honey
1 Tablespoon soy sauce
1 Tablespoon Dijon mustard
1 clove garlic, finely chopped

Place salmon, skin side down, in a shallow dish. In a small bowl, mix remaining ingredients together; pour over salmon. Cover; refrigerate at least 15 minutes but no longer than 1 hour.

Set oven to broil. Remove salmon from marinade; reserve marinade. Place salmon, skin side down, on rack in broiler pan. Broil with top 4 to 6 inches from heat 10 to 15 minutes, brushing 2 to 3 times with marinade, until fish flakes easily with fork or internal temperature reaches 145 degrees F. Discard remaining marinade.

A Wedding

Adam Huff & Jessica Chambers Dixon

Nashville graduates to marry Saturday

The wedding of Jessica Chambers Dixon to Adam Huff will take place Saturday, May 4, 2019, in Nashville.

The bride-elect is the daughter of Robert and Vickie Chambers. She is a graduate of Nashville High School and is employed at Georgia Pacific in Hope.

The bridegroom is the son of David and Carolyn Huff of Rose Bud, Ark. He is a graduate of Nashville High School and is employed by Adam Huff Construction.

The wedding will be at 2 p.m. at the Liberty Baptist Church, south of Nashville on Buckrange Road. Officiating will be the pastor, Rev. Tim Freel.

The bride will be escorted down the aisle by her sons Dakota and Jaxon Dixon.

After a wedding trip, the couple will make their home in Nashville.

HoCo Farmers' Market opens May 3

Additional volunteers still needed for many duties

The Howard County Farmers' Market grand opening will be Friday, May 3 from 7-11 a.m.

Growers have long been hard at work to bring fresh produce to the market.

Also attendees can enjoy the hospitality of Christy Jackson from the Arkansas Breast Care Program served along with a hot cup of coffee and a smile.

Additional volunteers are needed to help this year during market season, according to new market manager, Julio Fuentes.

Volunteers are especially needed in the following areas:

1) Hospitality Associate/ Kitchen Manager – Each Friday May through September a local business or civic group sponsors the

Market's "hospitality table" by bringing refreshments and information about their business or group.

The Hospitality Associate/ Kitchen Manager welcomes the Hospitality Sponsors, assists them with setting up their table, and keeps the table supplied with coffee and supplies.

The Hospitality Associate also works with the market manager to ensure safe food-handling procedures are followed at the hospitality table and in the kitchen.

The Hospitality Associate will need to be at market at 6:30 a.m. each Friday.

2) Parking Director – Fuentes said that the market can get very busy when produce starts coming in during early summer and when the garden workshops, Kidz

Klub programs and other activities get underway.

The market is adding parking space and several handicapped parking spots this year to accommodate the increased traffic during peak season and will need at least one individual to help direct traffic flow and parking during market hours.

The Parking Director will need to be at market at 6:30 a.m. each Friday.

3) Flower bed adoptions – There are several flower beds around the Market Pavilion that Market organizers are hoping to improve this year.

Volunteers are needed to adopt a bed or to help plant and maintain beds.

Also, donations of historic plants, especially ones from local home sites, are especially welcome.

This activity can be done at any time and does not need to be performed during market hours.

4) Musicians – The market would like to have local musicians at the market this year and is looking for musicians to volunteer.

5) Volunteers to assist with NDOG and Kidz Klub activities – Volunteers are also needed to assist with NDOG (Nashville Demonstration Organic Garden) maintenance, activities and garden demos as well as programs offered for children at the adjacent NDOG's Kidz Klub.

Anyone interested in volunteering this season at the Howard County Farmers' Market should call Fuentes at (870) 200-3883.

Delight man sentenced, M'boro woman charged for drug possession

A Delight man was the only defendant sentenced Monday in Pike County Circuit Court.

David Leroy Hill, Jr., 42, also known as Jake Hill, pleaded "true" to the charge of probation revocation. He was sentenced to two years in the Arkansas Department of Corrections.

Court documents how Hill still owes restitution from his original charge of theft of property from when he stole a van from belonging to Brent Alexander.

Charges filed

Two felony drug charges have been filed in Pike County against Teresa D. Hagan, 39, of Murfreesboro.

Hagan was arrested April 15 by Murfreesboro Police Chief Randy Lamb, who

was attempting to serve an outstanding warrant. When Hagan was told to empty her pockets, she was found to have a syringe on her person.

The following day a resident reported she had found a loaded syringe in the driveway where the arrest was made. The resident said her daughter she had discarded the syringe after it was given to her by Hagan just prior to her arrest. Hagan admitted in a jailhouse interview the syringe was hers.

Hagan pleaded not guilty to the charges Monday. She was ordered to return to court May 13 and a July 8 pretrial date was set. She is also to be screened for possible qualification Pike County Drug Court.

PC CONSERVATION SCHOLARSHIP. Jessica Parker of Murfreesboro High School has been awarded the \$500 Pike County Conservation District Scholarship. She is the daughter of Donna and Neil Parker.

One of state's largest volunteer organization celebrates achievements with proclamation for EHC month

One of the state's largest volunteer organizations will celebrate more than a century of achievements with a gubernatorial proclamation of May as Extension Homemakers Month.

The proclamation ceremony is set for 10:30 a.m. on May 6 at the state Capitol.

"We're pleased that Gov. Hutchinson is helping us recognize May as EHC month," said Karen Bell Fox, state president of the organization. "We appreciate his support, not only this month, but also the rest of the year. Our members, men and women, work year-round for the betterment of all Arkansans. Being recognized by our state leadership is a great honor."

The Arkansas Extension Homemakers began in 1912 as Home Demonstration Clubs. The clubs, organized by the Cooperative Extension Service, were essential for disseminating critical information for managing family resources and food safety at a time when many rural households were

isolated by distance, and without modern tools such as electricity, phone service or access to libraries or other sources of life-saving knowledge.

Today, EHC puts a spotlight on community leadership development. It creates opportunities for members to develop leadership skills that increase self-confidence, improve communication, and enable individuals to become more active in community engagement.

Nationally, AEHC is affiliated with the National Volunteer Outreach Network and AEHC will be hosting the national network meeting this year. AEHC also is part of the national Country Women's Council, USA, and internationally, AEHC is part of the Associated Country Women of the World.

"Arkansas Extension Homemakers has been around for 107 years, and for the organization's whole history, has quietly worked to improve the lives of all Arkansans today as it has

for more than a century," said Laura Hendrix, associate professor for the University of Arkansas System Division of Agriculture. "The thousands of members of this organization put in hundreds of thousands of hours of volunteer work every year. We are proud of the contributions they make to their communities and the state as a whole."

During fiscal 2018-2019, the most recent period for which statistics are available, Arkansas Extension Homemakers reported giving 707,960 hours of volunteer service.

Those at the Capitol will be representing the more than 3,775 members of the Arkansas Extension Homemakers Council from 324 clubs.

Since its start in 1912, the Extension Homemakers/Home Demonstration program has been ongoing in Arkansas, providing its members with education and leadership development and service to the communities in which the

clubs are located. Through the years, the program has helped victims of the great Mississippi River Flood of 1927, promoted vaccination programs and provided tools to help young children communicate what ails them to health professionals.

State meeting

The annual meeting of the Arkansas Extension Homemakers Council will be held June 4-6 at the Hot Springs Convention Center. A variety of educational and heirloom crafts seminars will be presented, along with awards for outstanding local projects and scholarships. County council presidents and milestone members of 50 years and more will be recognized. A memorial service will be held for deceased members.

The Arkansas Extension Homemakers Council is a volunteer organization associated with the Cooperative Extension Service, part of the University of Arkansas System Division of Agriculture.

UA H-T graduation set May 14 at Hope

The 2019 University of Arkansas Hope-Texarkana commencement ceremony will be held Tuesday, May 14 at 6:00 p.m. in Hempstead Hall on the Hope Campus.

A total of 435 students from counties in Arkansas, Texas, and Louisiana are expected to graduate.

"The enrollment growth at UAHT has been at the top in the State in the past several years, but we are even more proud to say that UAHT is graduating students in record numbers," said Chancellor Chris Thomason.

The number of graduates at UAHT has increased by

69 percent from 2014, and the total number of degrees and certificates awarded has risen by 52 percent.

"Making it a priority to help our students graduate has resulted in UAHT awarding 3,243 degrees and certificates in the last five years and has helped our campus finish second

among all 22 Arkansas colleges in the Department of Higher Education's performance funding model outcomes."

Several guests from the University of Arkansas System will be in attendance including University of Arkansas System President Donald R. Bobbitt.

CUTTING A HUSQVARNA BLUE RIBBON. Earl Bennett, president of Husqvarna North America, and Steve Harvill, plant manager, center, were joined by about two dozen current or retired employees who joined the company here as far back as 1976, for a ceremonial ribbon-cutting at the end of Tuesday's program inside the plant. The ribbon was cut with a Husqvarna chain saw.

New Husqvarna warehouse officially opened

The new Husqvarna warehouse building which was officially opened Tuesday morning is two football fields in length; the length of two football fields wide; a half-mile around; and is 34 "working" pallets in height. Tony Cochran, general manager of Husqvarna operations, Nashville, welcomed a sizeable crowd Tuesday morning for a ribbon cutting to open the facility, and he used that description to convey the

size of the facility to any skeptical ears.

"People can't get a grasp on its size if you say 350,000 square feet," Cochran told the newspaper before the half-hour program began.

In an honored seating section were about two dozen retired or current Husqvarna employees who joined the company here, some as far back as 1976.

On hand, also, were a number of company VIPs and local public officials.

Others who spoke during the program included Nashville Mayor Billy Ray Jones, who recalled working on the first Poulan building as a youth; Earl Bennett, president of Husqvarna North America; Jim Moore, vice-president of manufacturing; Todd Anderson, program manager; Kevin Turpin, president of the construction company, and Steve Harvill, plant manager Husqvarna Lawn and Garden. Also present was a

former plant manager, Pat McGuire.

The company's giant warehouse will be used for storage of both raw materials and finished products. The capital investment is more than \$25 million.

Extra property was acquired which enabled the company to develop trailer storage.

The company employs more than 13,000 persons in 40 customers around the globe.

Mother's Day service at Sardis church

The annual Mother's Day service at Sardis Methodist Church will be Sunday, May 12, at 10 a.m.

The church is located south of Nashville on Highway 278. Donations to the cemetery fund have been announced. Some donations were memorials.

Donors included:

Byron and Joyce Terry, William and Patricia Tiffin, Lee T. Powell, Dwayne Carver, Delsie Castleman, Joyce Harris, Robert and Mary McFarland, Joe and Kim Aylett.

Ina Sturgill and Sharon Rheinholtz, Jackie and Peggy Robinson, Jeanette Wells, Linda Barnes, B.W. Hicks, Dinah Krieger, Todd and Linda Castleman, JoJo Reed, Marty and Kelley Quinn, Mary Lynn Cornish, Joshua and Jaime Williams, Bob Erwin, Cecil Arnold, James and Irene Ross.

Crofton Cemetery asking for dues

The Crofton Cemetery Committee in Tollette is asking that those interested in burial at the cemetery or those with family members buried there to pay their dues.

The dues are \$25 per family household per year. For non-paying members, there will be additional charges.

Mowing season is here and the dues are used for the upkeep of the grounds.

Dues may be paid at the Tollette City Hall or to any committee member, Martha Forte, Bobby Turner or Karen Thomas.

Decoration Service at UBC Buckrange

Unity Baptist Church, located at 381 Buckrange Road, Nashville, will have its annual Decoration Service on Sunday, May 5.

The decoration will begin at 10:30, followed by preaching at 11, and then a potluck. The public is invited.

Facts About The BIBLE BY JOHN LEHTI

BIBLICAL BANKS!

A FEW THOUSAND YEARS BEFORE THE ADVENT OF MOSES, THE ANCIENT SUMERIANS, WRITING IN SOFT CLAY, HAD BEGUN RECORDING THEIR LAWS, THEIR HISTORIES, THEIR BUSINESS CONTRACTS, THEIR BANK STATEMENTS, FOR MODERN ARCHEOLOGISTS TO COME ALONG AND DECIPHER! BY THE TIME OF JESUS OF NAZARETH, BANKING HAD BECOME A REGULAR INSTITUTION, MUCH AS WE KNOW IT NOW, WITH A PUBLIC BUILDING PROVIDED IN JERUSALEM WHERE DOCUMENTS RELATING TO LOANS COULD BE RECORDED. THE BANKER SAT AT HIS TABLE AND RECEIVED MONEY FOR DEPOSIT, ALLOWED INTEREST ON IT, AND LENT IT TO OTHERS ON A PLEDGE OR MORTGAGE. A BRANCH OF THE BANKING BUSINESS WAS MONEY-CHANGING. FOR A SMALL COMMISSION THE BANKER OR BROKER EXCHANGED MONEY OF DENOMINATIONS FOR THAT OF ANOTHER - AS SHEKELS FOR HALF-SHEKELS, NEEDED TO PAY THE TEMPLE TAX, OR GAVE COINS TO VISITING FOREIGNERS FOR THEIR MONEY - AS A HEBREW SHEKEL FOR ROMAN DENARI) AND GREEK DRACHMAS! ACTUALLY, THE MENTION OF A BANK ONLY OCCURS ONCE IN THE BIBLE (LUKE 19:23) BUT THERE ARE OTHER REFERENCES TO IT FOUND IN MATT. 25:27, AND IN NEH. 5: 3,4 AND IN PROV. 6:1 AND IN JER. 15:10, THAT SHOW BANKING WAS A DAILY OCCURRENCE IN BIBLICAL TIMES!

Pike County Senior Day draws 100+ participants

By P.J. Tracy
 Murfreesboro Diamond
 The 2019 Pike County Senior Days was held in Murfreesboro last Thursday, featuring a health fair, the Garland Risner Senior Walk, games and lunch for those in attendance from across the area including Murfreesboro, Glenwood and Mount Ida.

The Risner Senior Walk was held at the Murfreesboro City Park, featuring more than 20 participants. Winners included Lee Hill and Marlene Steen, while Eli Nasar and Katherine Sinclair finished second. Terry White was awarded with the "most effort" recognition.

The event had 104 people eat lunch at the CADC Senior Center. Winners of the two \$100 drawings were Ray Findley of Murfreesboro and Kalita Stubbs of Mount Ida.

Some 39 high school-aged residents of the county helped play their part in the festivities by volunteering their time, including participation in the senior walk, chair volleyball and bean bag baseball.

The local students include:

Murfreesboro CADC Senior Center manger Vickie Hutson thanked all of the vendors that attended the health fair and all that attend any part of the events. She also credited the city workers that volunteered as well as the Pike County Sheriff's Department for the aid.

Prescott teacher arrested April 23 for alleged sexual relations with HS student

On the morning of April 23, officers with the Prescott Police Department arrested Leona Nivens, 33, a Prescott High School teacher, at her home without incident for allegedly having sexual relations with a student.

The arrest came after a joint investigation between the Prescott PD and the Arkansas State Police Crimes Against Children Division

concerning allegations of improper sexual contact between Nivens and a 15-year-old high school student.

Nivens had been placed on administrative leave by the Prescott School District pending the outcome of the investigation.

The charge in Nevada County at the time of the arrest was sexual assault in the second degree.

Drugs, ammo, weapon, cash found here during traffic stop

Two persons jailed last week after being arrested in a traffic stop are still jailed here.

Bond of \$30,000 was set for Robert Jason Dillard, 34, white male, Nashville, who was the driver of a vehicle stopped Wednesday, April 22, by Patrolman Mackenzie Vermillion.

According to a police department press release, while waiting for Dillard to produce identification and vehicle documents the officer noticed boxes of ammunition in the vehicle. During the subsequent search of the vehicle the officer discovered a loaded pistol and ammunition, in addition to suspected meth, a syringe, a

smoke pipe, marijuana and other drug-related items. Also found was slightly more than \$2,300 in cash.

A passenger in the vehicle was Chasity Ward, 29, white female, Nashville, and the officer recognized that there were warrants for her arrest for non-payment of fines in the amount of slightly more than \$3,000.

Both were taken in custody.

No bond has been set for Ward. Dillard likely faces felony charges of simultaneous possession of drugs and firearms; possession of meth with purpose to deliver; possession of drug paraphernalia; and felon in possession of a firearm.

Compliments to Orr Classic Chevrolet in Ash-down for their great Senior car service. I had the opportunity to use their services for my vehicle. I needed a home pick-up and delivery.

MARY CROSSLIN
Local Events Columnist

Their technicians were professional and the work was excellent. Thank you so much for making a senior citizen feel a part of the community.

The same appreciation goes out to all the neighbors in the community that have helped me in any way since my surgery.

The World Day of Prayer will be Thursday, May 2. Everyone is invited to share in the event for our country and government.

Especially those of us who believe in the power of prayer. I believe the majority of us do. So, let's come together with a friend or just take a moment for a silent prayer to come together for this cause.

It's the power of God that breaks the yolk.

Piggee Memorial Church did a fellowship visit for the Usher minister on Sunday afternoon. The service was well attended.

Lee Arthur Pauley and Charles Maxwell were at church on Sunday. They are well. Everyone was glad to see them. Bible study is every Monday night, taught by Pastor Dixon. You are welcome to come and share.

Some senior citizens in Sevier County are having trouble getting to their doctor appointments and doing their personal shopping. There was one time services provided by the county free, or nearly free depending on your insurance plan.

I was contacted for information but I had none. Everywhere I called the service had been cancelled

due to funds.

If there is someone out there that knows something about this issue, call me. Thank you.

We still have some people on our prayer request: Beneath Graves, Goldie Wilson, Mary Crosslin, Price Savage, George Ware and Flossie Calvin.

UA Cossatot men, women basketball tryouts Saturday

UA Cossatot is making plans and preparations for basketball season as Coach Brad Phillips begins selecting team players.

On Saturday, May 4 the college will be holding men and women's basketball tryouts at the UA Cossatot Historic Bank of Lockesburg Gymnasium. Women's basketball tryouts will be held from 1-3 p.m. and men's basketball tryouts will be held from 3-5 p.m.

Basketball was added to UA Cossatot's sports program last year. After its launch, the college has now added a women's basketball team, and UA Cossatot has also joined the NJCAA to give more students more opportunities.

High school seniors that are graduating this year, transfer students, and current UA Cossatot students

are invited and encouraged by the school to try out. "If you are eligible to play basketball at UA Cossatot, the college and I welcome you to come try out," said UA Cossatot Basketball Coach, Brad Phillips.

The Student Services department will also be at the gymnasium on Saturday for those who are trying out to seek college information.

Current and future students interested in playing basketball at UA Cossatot can ask questions, learn about the admissions process, learn how to register for classes, and find out about academic requirements while playing basketball at UA Cossatot.

For any questions about basketball tryouts, e-mail Coach Phillips at bphillips@ccua.edu or call (870) 378-7203.

Fishing & Fish Fun!

The last one I caught was at least this long... really!

Do you want to get in on the fishing fun? Ask a grownup to be your fishing buddy. Dig some worms. Grab your poles. Pack a lunch, dash to a lake or river and start fishing! Some people stand on the bank of a river to fish. Some will row their boat out to the middle of a lake. Fishing from a pier into the ocean is cool too. Some people only wish to "catch" fish from the supermarket for a favorite dish. Have fun and...shhh...the fish are biting!

One fun fishing event is a fishing derby. It's a competition with fun and prizes. A pole, some fishing line, a hook and some bait - that's all you need to fish!

Can you find and circle 4 words that end in 'sh' as in the word 'fish'?

Read the clues to fill in this puzzle about going fishing:

- weights you attach to your line
- used to wind the fishing line
- holds all the small equipment needed
- person who fishes for fun, food or a living

5. things to attract fish; sometimes flashy or feathery
6. has fins; swims and lives in fresh or salt water
7. curved piece of metal used to catch a fish
8. these keep bait near water's surface, signal "bite"
9. round, open container with a handle used to carry fish
10. long, narrow pole with hoops that hold your line
11. piece of food or a worm; used to attract a fish
12. people sit in this and row to their "fishing holes"

Think fishing! Now match each word to its "fishy" description.

- tackle A. hooks, lures and other things used to fish
B. rush; knock someone down
- catch A. game in which the ball is thrown and caught
B. a bucket of fresh fish going home with you
- cast A. what the doctor puts on a broken bone
B. throwing your fishing line and bait into the water
- waders A. people who wet their feet at the edge of the water
B. waterproof boots that cover waaaay up
- test A. the amount of strength in your fishing line
B. what the math teacher gives you

Coral Reef Pop Quiz!

Circle "T" for true, "F" for false.

- Coral reefs are always in deep areas of the ocean. T F
- They are alive - made up of millions of tiny animals. T F
- They produce food that algae eat. Little fish eat the algae. Bigger fish come to eat the smaller fish. T F
- The coral reefs team with only clams and octopuses. T F
- They cover about 1% of the ocean, but support about 25% of all sea life. T F

PUBLIC NOTICE

Notice of Annual School Election
Mineral Springs School District

Notice is hereby given that the annual school election for the Mineral Springs School District #3 of Howard, Hempstead, and Sevier Counties will be conducted on May 21, 2019. The district will elect one member for Zones 3 & 4. Absentee and early voting can be done at the Howard County Clerk's Office in Nashville, AR or at the Hempstead County Courthouse in Hope, AR. The official polling place for Howard County will be the Tollethe-Church of God. The official polling place for Hempstead County will be the McNab Community Center.

The school millage will also be voted upon. The 34.0 mills tax includes 25.0 mills for maintenance and operations and 9.0 mills for debt service previously voted as a continuing debt service tax pledged for the retirement of existing indebtedness. The district may use surplus revenues produced each year by debt service millage for other school purposes.

Early voting and absentee voting will begin on May 14, 2019 and end on May 20, 2019; hours will be 8:00 am to 6:00 pm Monday through Friday. (MS: 44 - 46)

COMMISSIONER'S SALE

NOTICE IS HEREBY GIVEN, pursuant to the authority and terms of sale contained in the decretal order of the Howard County Circuit Court entered in Case No. 31-CV-18-68-1 pending between United States of America acting through the Rural Housing Service or successor agency, United States Department of Agriculture, Plaintiff, and VICTOR R. SALAS, et al., Defendants, the undersigned, as Commissioner of the Court, will offer for sale, at vendue to the highest bidder, at the Main Entrance to the Howard County Courthouse, 421 North Main Street, Nashville, AR 71852, on May 16, 2019, at 10:00 o'clock a.m. the following-described real estate, situated in Howard County, Arkansas, to-wit:

North 5' of Lot 17, Lots 18 and 19, North 55' of 24'x125' Strip East of Lots in Block 50 of the Reeves Subdivision of the Town of Mineral Springs, Howard County, Arkansas. More commonly known as: 120 North Lewis Street, Mineral Springs, AR 71851.

TERMS OF SALE: Are as set forth within the orders and foreclosure decree of the Howard County Circuit Court entered in Case No. 31CV-18-68-1, including but not limited to the following - should any successful bidder fail to perform under the instructions of the Commissioner at time of sale, then that bid shall be void and set aside. The Commissioner thereafter shall find that the subject property be awarded to the next successive highest bidder, until performance is rendered.

Also, on a credit of three months, the purchasers are required to execute a bond as required by law and the order and decree of the Court with approved security, bearing interest at the maximum rate allowed by Arkansas law from date of sale until paid, and a lien being retained on the premises sold to secure the payment of the purchase money.

This sale is made subject to any and all stipulations made in the decretal Order filed of record on December 20, 2018. The Commissioner does not warrant title, boundary lines, taxes, and or improvements, if any, on this property in Howard County, Arkansas.
